

How it started...

Summer Term 2023

How it ended...

It has been a pleasure to work with such an enthusiastic bunch of children. Each and every member of the class was so excited to share their learning whilst performing for World Against Child Labour Day.

Congratulations to all who participated in this year's Shakespeare Club production, Twelfth Night. It sounds as though our fabulous actors from Class 1 and Class 2 stole the show with their passion, presence and clear delivery of lines. Myself and Miss Todd could not be more proud!

What a busy end to a wonderful year in Class 2. The children have participated in many sporting events with a determined attitude. It has been wonderful to see so many try a new skill or push themselves out of their comfort zone to discover a new love for sports and games.

The boys and girls enthusiastically took part in Bastille day to create their own portraits after looking at Cubism and the artist Georges Braque. Their French vocabulary and pronunciation has improved tremendously since the start of the year as they became more familiar with greetings and common phrases.

In RE the children have studied Islam and can now recall stories from the Qur'an when discussing their thoughts on how Muslims try to live their lives to show devotion to their god, Allah. The class can now identify a mosque as the holy place of worship for this community.

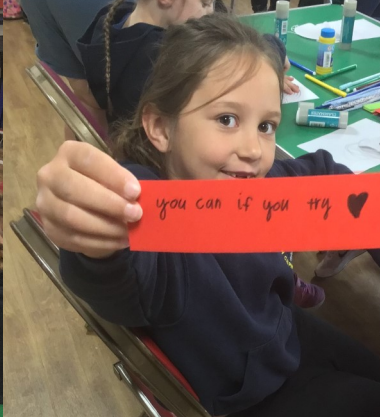

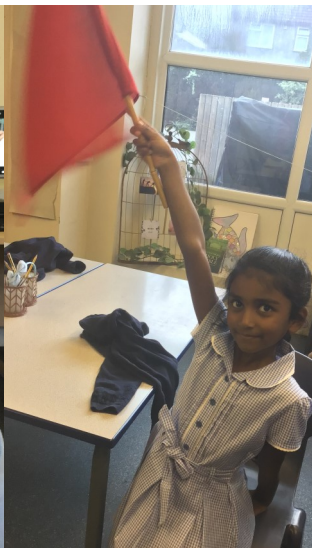

Class 2 have enjoyed exploring our local area to search for minibeasts and consider how living things within a habitat can support one another. William very kindly brought in some honey that he harvested at home so we could all enjoy and explore this idea first hand.

Class 2 thoroughly enjoyed their trip to the Shildon Railway museum. They recognised many of the engines we had previously discussed in class and could recall some of the items that had been brought into school when were visited by an expert from the Head of Steam in Darlington which will be open again in 2024 after extensive renovations.

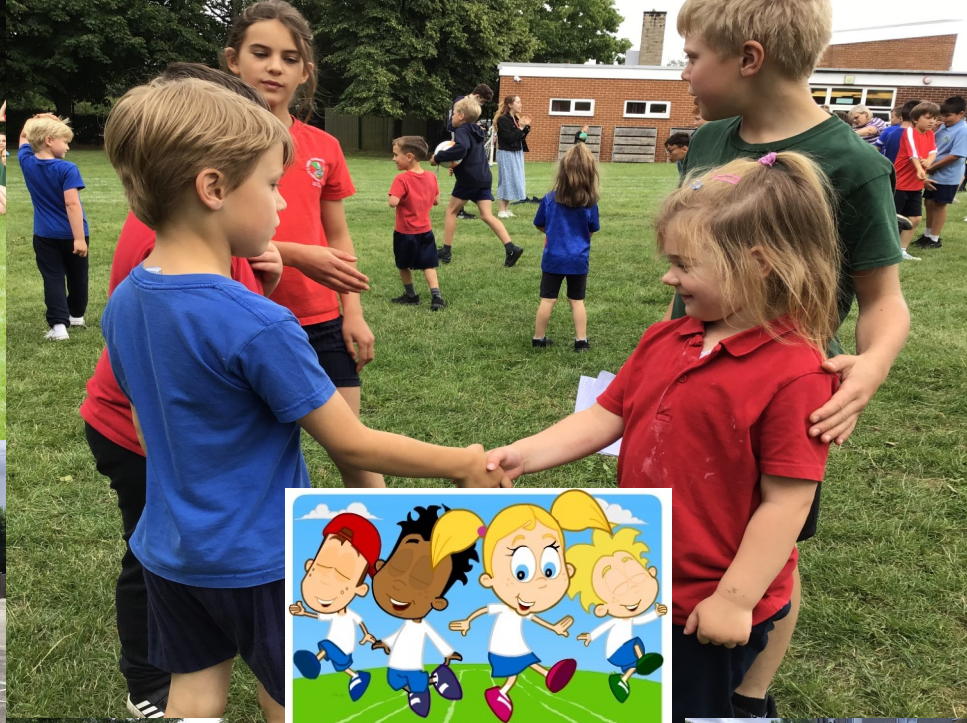

Colour Run, Frisbee Day and Melrose Trust KS1 Multisports

Here we are
exploring
Darlington's
railway history.

Here we all are
enjoying Sports Week
and Sports Day
